## Medical Officer – Alanyi HC IV

### Description

Alanyi HC IV, under the management of **St. John XXIII Hospital Aber**, is seeking a **qualified and experienced Medical Officer** to provide comprehensive healthcare services. The Medical Officer will be responsible for diagnosing, treating, and preventing illnesses while ensuring high-quality patient care. This role requires a dedicated professional who can work effectively in a **rural healthcare setting** with limited resources.

### Responsibilities

1. Conduct **clinical assessments, diagnosis, and treatment** of patients.
2. Perform **ward rounds** and ensure appropriate medical interventions.
3. Provide **emergency medical care**, including first aid and minor surgical procedures.
4. Oversee and coordinate **maternal and child health services** at the facility.
5. Participate in **disease prevention and health education programs** for the community.
6. Collaborate with healthcare teams, including **nurses, midwives, and support staff**, to deliver integrated care.
7. Maintain **accurate and up-to-date patient records**.
8. Ensure compliance with **medical protocols and ethical standards**.
9. Provide **mentorship and guidance** to junior healthcare workers and students.

### Qualifications

- **Bachelor's degree in Medicine and Surgery (MBChB)** from a recognized institution.
- **Registered and licensed** with the **Uganda Medical and Dental Practitioners' Council**.
- **At least 2 years of post-internship experience** in a reputable health facility.
- Strong clinical, diagnostic, and communication skills.
- Experience working in a **rural healthcare setting** is an added advantage.
- Ability to work under minimal supervision and in a **resource-limited environment**.

### Skills

- Patient-centered approach to healthcare
- Strong problem-solving and decision-making abilities
- Excellent interpersonal and communication skills
- Ability to work in a **multidisciplinary team**
- Commitment to **ethical medical practice and continuous learning**
